Valedictory Address

Valedictorian - Anna Ferenc

It gives me great pleasure and honour to stand here today and speak to you on behalf of the Grade Nine Graduates.

Many of St. John's students have put a vast amount of effort into this past school year. Today you will witness these students step up to receive awards. These are their souvenirs of the work they have exerted throughout the year. To the graduating grade nine students of St. John's High School, this day is very significant as it is their last day in Junior High.

At certain times in one's life one must make careful decisions and take important steps which will affect one's future. Such is the case with this year's graduating grade nine class. Now that Junior High is behind them they must prepare themselves for advancing to Senior High. Suitable courses and proper subjects should be chosen as they will affect their future careers.

When a person progresses to higher levels, he/she is often inclined to think back into the past and recall the events which crossed his/her path. I believe that St. John's High School holds many treasured memories for a large number of us. This is because we realize that St. John's is an outstanding school.

It is very beneficial for us to attend a school where such a great selection of courses are offered. This gives us a chance to discover the fields in which we work best. Once the discovery is made, it makes it that much easier to decide on our future occupation.

Apart from offering an extensive academic course, St. John's also has an unlimited variety of extra curricular activities. Together with these extra activities we gain a sense of reliability, independence and responsibility, as well as learning to cooperate. All these skills will eventually aid us in our future lives.

But of course if it were not for the cooperation of the staff these activities would not be able to occur. I'd like to take this opportunity to say that St. John's has a fantastic staff. The teachers are very helpful and understanding when a student is in need of assistance. On behalf of the students I'd like to extend my gratitude to the staff for devoting much of their time in order to make our education at St. John's more fulfilling.

Fellow graduates the time has come to collect and store away the good old memories of our Junior High years. We must look into the future and consider our entrance to Senior High, for it is not far away.

I wish you much happiness and satisfaction in the coming years as you strive to reach your goals. As your destinies approach, keep in mind that God's love, understanding and helpfulness will see you through successfully.

In closing, I would like to thank the parents who made the effort to be present at this Awards Day Service. Your presence is greatly appreciated.

Thank you.

BAND

The Band program included grades 7, 8 and 9, each having four period band instruction per cycle. Concerts in 5 elementary schools were performed with the grade 7 band.

The Variety Concert of June 2 was played with the grade seven and nine band.

ORCHESTRA

The string program consisted of 43 students from Grade VII - IX. Although a small group they have proved to be a very strong one, giving some admirable performances over the year. In May they performed at five elementary schools, overcoming the problems of overcrowding, where, in some small gymnasiums the 90 members of the band, orchestra and guitar groups left little room for an audience. Finally the musical year closed with the Junior High Variety Concert on the 2nd of June. It was a good year. Well done everyone!

RHYTHMICS

This year's rhythmic club consisted of grade 8 and 9 girls. Two performances were put on for Unity and were quite enjoyable. A small portion of the girls demonstrated a few movements and routines for the Phys. Ed. teachers of the Winnipeg School Division at Sargent Park School. Many thanks to Miss Fraas in showing great patience and effort in dealing with approximately 30 girls.

FRENCH CLUB

Under the guidance of Mr. Simcoff the French Club proved to be a rewarding experience for its members. Every Thursday, at noon, French Club enthusiasts would congregate in Room 306 with aspirations of gaining knowledge of the French language and culture. The majority of time was spent playing educational French games, as well as viewing slides, listening to music and stories in French, and planning a sojourn to French Canadian centres. Before the school year ends French club members hope to visit various places in St. Boniface.

FOLKCLUB

This year the folk club consisted of 27 members from grade VII, VIII, and IX, ranging from a beginners to an advanced level.

The main project undertaken this year, was a T.V. programme, featuring Danny Olynick with his drums, Yuri Korchinski with lead guitar, Leslie Joyce on piano and Susan Cham and Linda Diakiw in solo folk guitar performances.

A successful tour of elementary schools was also a highlight of the spring term.

CHESS CLUB

Again, this school year 75-76, as always St. John's had a Junior High Chess Club. Under the supervision of one of the teachers of our faculty, Mr. Yarmie, our Chess Club was made a success.

Every Tuesday the Chess Club met. Mid-way through the year a chess tournament was organized consisting of fifteen members. The following people were awarded prizes:

1. Branko Lisak
2. Rial Black
3. Henry Jakovac

Thanks should be given to Mr. Yarmie who made this Chess Club possible.

TELEVISION PRODUCTION CLUB

This school year was the first year we have had the Television Production Club and we have had a good amount of participation from both Junior and Senior High students.

In this club we learn many things. First of all, we have complete use of all the Audio-Visual equipment of this school. We learn how to effeciently run, clean and use the Video Tape machines. Also, members of the club are instructed in camera and sound techniques as well as script writing and commercial making.

The Audio Visual Department of this club has taped many important events during the year. For example; the S.T.A.M. Conference (Science Teachers Association of Manitoba) featuring Dr. David Suzuki was recorded on Video Tape and is still available for viewing in the school. Another of the fine workmanship of the club is the superb taping of "OKLAHOMA" in which the lighting as well as the Audio-Visual Department of the Club worked very hard to make this year's musical a success. This tape was shown on Channel 13 last May.

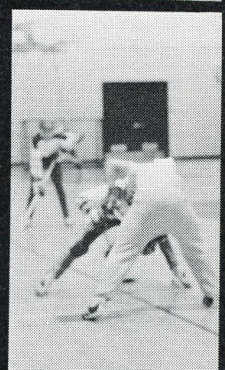

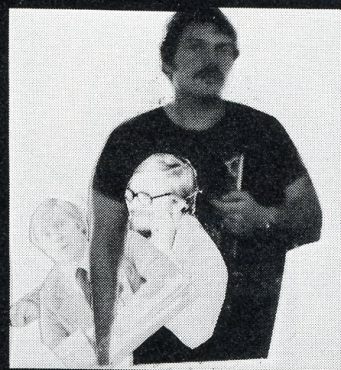

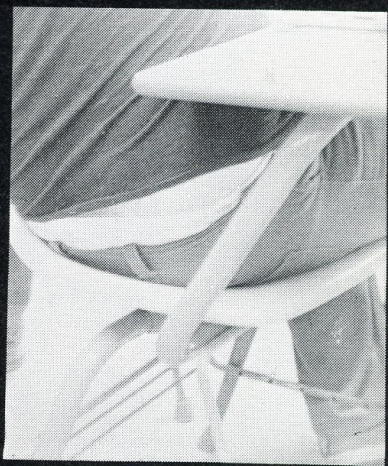

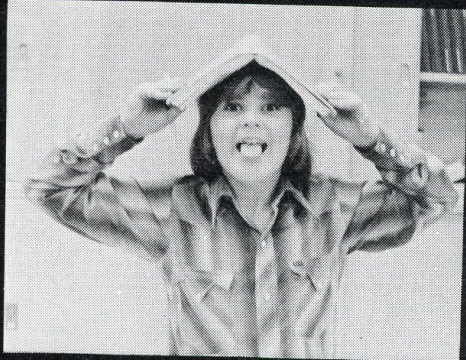

We would like to give special thanks to Mr. Ditchburn for his great teaching and his time which he put into the club. Thanks to our president and able dictator Morley Fortier who, without his help this club would never have been possible.

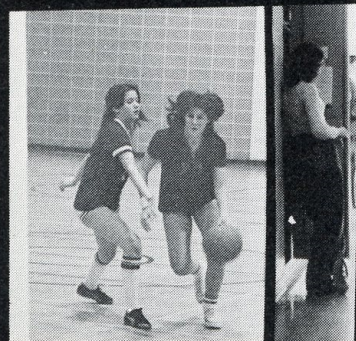

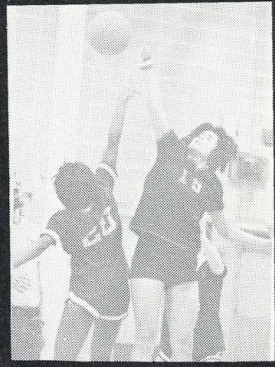

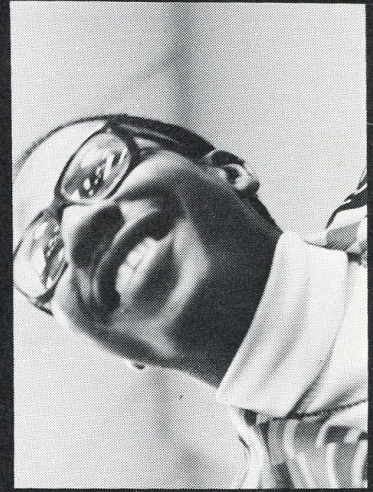

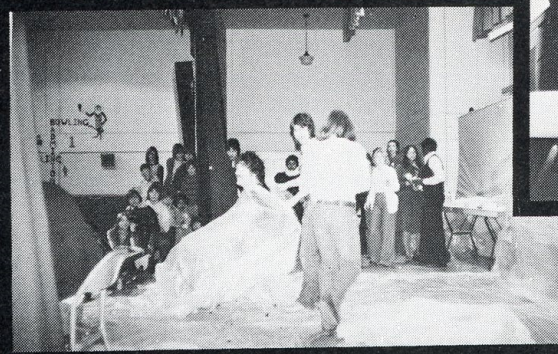

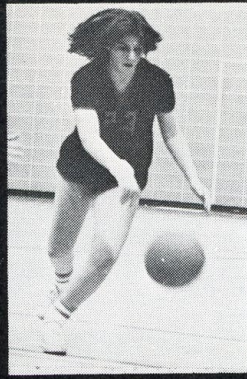

JOYFUL JAUNT

The Joyful Jaunt was held on Friday, February 21, 1976. The turn out was fantastic and so were the prizes. (If you were lucky you probably won a prize). The music man hung around playing some bumping music while the teachers were slaving away selling refreshments. Everybody had a great time.

JUNIOR BOYS VOLLEYBALL

The Junior boys volleyball team experienced a learning season. Although not placing high in the league standings enough skills were learnt so that the team will be more competitive next season.

SENIOR BOYS VOLLEYBALL

The boys had a fairly successful season but unfortunately they never played to their full potential. Their inconsistency caused them to lose first place in the North Division. They were eliminated in the first round of the play-offs.

SENIOR GIRLS VOLLEYBALL

This year the girls finished with a successful season. These girls went all the way to the semi-finals beating Gordon Bell. There was a mistake in the score keeping and thus had to play five games straight. They had a real good season and would like to thank coach, Miss Gibb for her outstanding coaching.

JUNIOR GIRLS VOLLEYBALL

This year the Junior Girls Volleyball team got off to a slow start, but finished their season with 3 straight wins.

Even though the girls didn't make it into the semi-finals, they showed great team spirit and sportmanship throughout the season. A special thanks to all the managers and Miss S. Gibb who coached the team and gave them support.

JUNIOR GIRLS BASKETBALL

The Junior high Junior Girls Basketball team had a terrific season winning all of their nineteen games. They finished off their season by defeating Jefferson in a championship game at the Elmwood Invitational Basketball Tournament. The team, would like to thank Mr. Simcoff for his fantastic coaching and encouragement.

SENIOR GIRLS BASKETBALL

This year was a most successful season for our St. John's Senior Girls Basketball team. The team was undefeated in the regular season, where they had played Elmwood, Andrew Mynarski, Isaac Newton, and Sisler. The girls then advanced to the semi-final where they defeated General Wolfe. They then played in a round-robin tournament against Gordon Bell and Aberdeen. Winning these two games, they became City Champs. The team also won our own TIBT, placed 3rd in the DGI in Regina, and were consolation winners in the Golden Gate tournament. The team's total record is 17 wins and 5 losses. The team would like to thank all the fans for their support and to Mr. Mutchmor for his support in our two final games. A special thanks to Mr. Bochinski and Mr. Leggero for their time and effort.

SENIOR BOYS BASKETBALL

The senior boys basketball team had a very successful season with 23 - 5 win loss record. In the city semi-final, St. John's defeated Gordon Bell 33 - 32. In the championship game, Churchill defeated St. John's 22 - 20. The team competed in five tournaments and was most successful in the Beliveau Tournament when they won the championship game by five points over the Selkirk Suns. St. John's won 2nd place honors in the Churchill Acadia and the St. John's Invitational tournaments. Propects for next year's team are Larry Solonyczny and Darrell Flett.

JUNIOR BOYS BASKETBALL

The Junior boys basketball team enjoyed a fairly successful season. While not quite qualifying for the play-offs, they did enjoy participating in two tournaments. Highlight of the year was a trip to Brandon where they played four games in two days. The games were won handily while the fourth game was lost by 1 point in the last minute of play.

CHEERLEADERS

This year the cheerleaders worked very hard on their routines. Their uniforms and precision timing were a pleasure to watch during the games.

The girls boosted both of the boys' basketball teams to many victories but few defeats.

The team would like to thank Daria Balas, Doreen Portorieko and Miss Fridell who helped advise the team.

JUNIOR BOYS SOCCER

Although the Junior Boys Soccer Team did not have what you would call a successful season (0-4) the team should still be commended on its energetic clean play and sportsmanship. The team certainly played well enough to deserve a better record than it had. Unfortunately whenever a good scoring opportunity presented itself something would go wrong and the ball would not go through the posts. The players never gave up their enthusiasm and played hard from the start to the end of the season.

SENIOR BOYS' SOCCER

The Senior Soccer team had a very successful season, winning 7 of 9 games and advancing to the city championship, before bowing to the Churchill Bulldogs 2-0 in a rematch of the final. The original final had been tied 1 - 1 in overtime. The team got off to a bad start, losing to Isaac Newton 7 - 2 in the first game of the season, but thereafter they never looked back, winning 7 straight. The team was encouraged throughout the season by their coach, Mr. Slater.

WRESTLING

St. John's Junior High wrestlers got off to a slow start this season. However, at the close, four were selected to represent Manitoba at a Thunder Bay Tournament May 8th. They were Tony Eyer, Shaun Chartrand (2nd) John Lucas (3rd) and Russ Slobodian (3rd). During the season the team, as well as helping out the High School, competed in the St. John's and Sisler Invitationals, the Winter Games, Community Center Championships as well as the Jr. Olympics and the May Day Tournaments held at St. John's. Since many of the team are in Grade Seven this year, they should provide a good foundation for next year's team.

JUNIOR HIGH CROSS COUNTRY

This year the cross country teams did very well. The junior high senior girls came in 4th in the city. Leading the girls was Bernice McGibney, close behind Wendy Chan, then Bonnie Jackiw with Linda Diakiw, Susan Cham, Leslie Joyce, Doris Lechocki, and Liz Lukashenko. The junior high junior boys and the junior senior boys and junior junior girls did very well. St. John's held a duel meet at St. John's Park. St. John's placed first overall. The standings were:

- 1st - St. John's junior boys
- 1st - St. John's senior boys
- 1st - St. John's senior girls
- 3rd - St. John's junior girls.

There were also other duel meets where St. John's placed well.

The team would like to thank Mr. Sanders for his great coaching and fine effort he put towards the team. We would also like to thank the supporters who came and supported the teams to victory.

HANDBALL

After a late start, the handball program gained momentum. Before long all available courts in the junior high gym were being utilized, with participation and competition improving steadily. Under the tutelage of Mr. Simcoff enthusiasts learned the finer points of one, two, and three wall handball.

Every Wednesday after school and Friday noon hour the pounding of balls could be heard against the walls. A closer look would have revealed hard working young men developing their handball skills - ambidextrous skills, kill shot, pass shot, strategy.

Hopefully, in the not too distant future, all aspirants will be playing this fine sport with regulation equipment - regulation handball gloves, authentic handballs, on the University courts.

TRACK AND FIELD

The St. John's track team participated in a number of meets this year. The team showed great determination in their strong effort against opposing schools. St. John's kept up fine team spirit and showed good sportsmanship throughout the year.

The members of the team would like to thank Miss Gibb for her time and patience in making this year an awarding one.

GYMNASTICS

This year the girls' gymnastics club learned various skills and techniques. They participated in two meets at Isaac Newton and a City meet held at the University of Manitoba. All members are to be congratulated in their fine all out effort. The team gives their thanks to Miss Gibb for her support and coaching.

PARENTHOOD (The Tragedy of Lisa)

Lisa had two parents
A mother and a dad
And she drove them crazy
'cause she was always bad.

Well, one day Lisa's parents
Finally had enough
And shoved Lisa in her room
And left her in a huff.

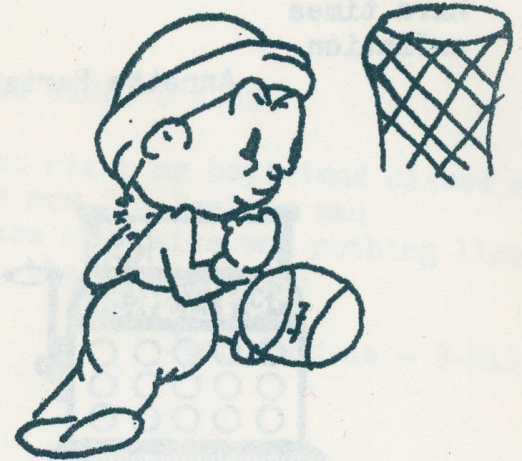

Lisa cried and pleaded
For them to let her out
But it was to no avail
They left her there to pout.

She stayed in there for many days
And didn't make a peep
Her parents naturally assumed that
Lisa was asleep.

But no this was not so
As her parents found instead
When they finally checked on her
They found that she was dead.

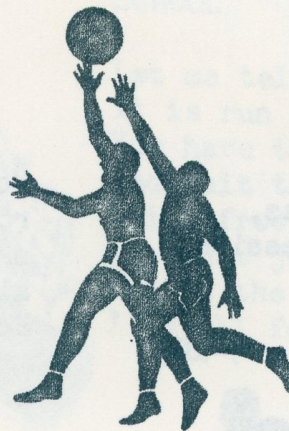

The moral of this tragedy
Is very quickly said
To all of you who're parents'
Don't send your kids to bed!

Sleek cars are rumbling
Sights are flashing by,
Gears are being cranked
Taking the chance to die

Off they go through the streets
All night restaurants passing
Dashing along on their bucket seats
Not heeding the light whether green or red.

There in front lies a corner
With the cars going into it deep,
The screech of the tires
And they're found in a heap.

As man pollutes every day,

It is man himself we will crucify.

THE XENOMORPH

It was truly dark and black as night
When I first saw the horrid sight;
A bubble fell down to the ground
And formed a hole 'bout 6 feet round.

The door it shook and then it groaned
And from inside I heard a moan
Of something in quite pain and such
And terrified me greatly, much.

I cautiously stepped up to it
And in the night as black as pitch
A light it shone, and was so bright
It stole the darkness of the night.

And then I heard a curious sound
A hissing and, along the ground
A mist it came around my feet
And suddenly I felt quite weak.

Down to the ground my poor knees fell
And then a strange thing happened, well
A Xenomorph was standing there
With both eyes bulging and no hair.

"What be thee doing?" said he sweet
And suggest I make a haste retreat
Unless I wish to be Gazapped
By a gun, which he unsnapped.

I felt my strength returning me
And hastily I turned to flee,
But out of curiosity
I asked what e'er he doing be.

"My ship, I fear, has had a crash
And all my instruments are smashed."
I asked him then just where he lived
And all the info. asked he gladly gived.

I said to him since he lived near Mars
A rocket he may use is ours.
"A Mars probe leaves tomorrow day
And you can soon be on your way."

He happily went on his way
And has not been seen since that day,
The Xenomorph I'll not forget
And his leaving here. I'll not regret.

The shock I get upon that day
Cannot be matched in any way,
I hope no more I'll never meet
A Xenomorph and weakened feet.

DROWNING

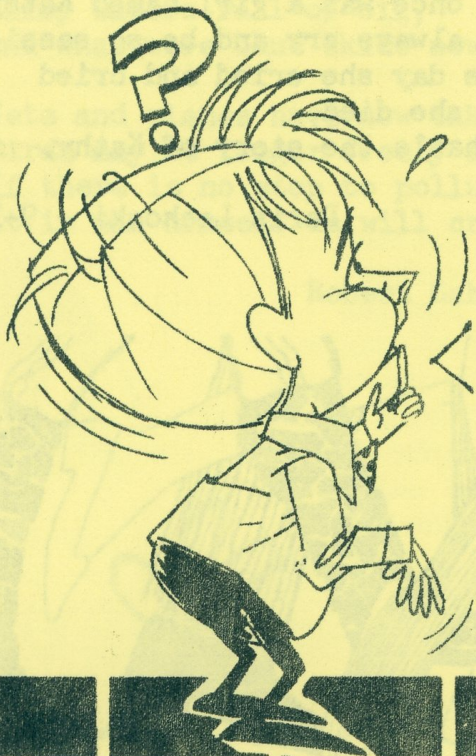

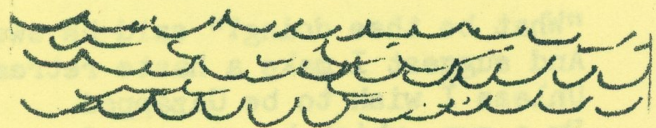

It happened one day at the lake
I thought I'd take a swim,
I swam out far enough to see
That a chance of getting back was slim.
And then I felt a sudden pain,
And also a cramp or two,
Then sunk down deep and hit the sand
And knew my life was through.
I tried quite hard to swim back up
And tried to catch my breath,
But sunk down deep and knew this was
The moment they call death.

BIRTH

A child is born into a life
This is the parents' doing
A life of scorn, and pain, and strife
And soon the trouble's brewing.

Some parents say you should be glad
We've put you in the rat race,
You look around and then you're mad
Who said to in the first place?

The world has lots of bothers
It's overpopulated and will be full
But I know some people's mothers
Who hould have practised birth control.

Country Life

The fresh sweet smell of the grass,
The beautiful rays of the sunrise,
The loud baying of the waking beasts,
The morning sun hurting my eyes.

The buzzing of the busy bees,
Flying from one colourful flower to another
The swaying of the tree-
In the warm spring breeze.

The colours of the blossoms,
Cover the trees,
In many different shades,
Like an ornamented Christmas tree.

Away from the rush of the city,
In the fresh clean air,
Where everyone is as free as they feel
The hoarse neighing of the mare

The majestic setting of the light
In the evening,
The crickets chirping in the night
Signals the end of day.
