Our Top Tiger

## Mr. R.M. Mutchmor, Principal

Some time ago when a group of students were charged with the responsibility for finding solutions to the problems facing society, one of them quipped "My parent's generation has messed up the world, and now they're asking us to straighten it up!" Today as we wrestle with inflation, unemployment, nuclear proliferation, energy shortages, biological and chemical warfare, human rights, hijacking, hostage taking and violence we might wonder if anyone has solved any problem anywhere. Closer inspection will reveal that each succeeding generation has had its own special set of problems, the changes that have occurred in the main lie in what are identified to be the problems. So, as our world and technology change, the list of problems and their dimensions change too. If we could bury our heads in the sands for a decade we would find upon our return that many of our problems would either have been solved or have disappeared, only to have been replaced by new challenges and problems.

It has become abundantly clear to educators, and many others in our society, that for improvement and survival we must inculcate and develop in our students the ability to analyze problems and to think critically as they postulate their solutions. It has been my privilege to witness countless examples of students' growth and development in response to innovative programmes offered by teachers in all areas of the curricula. My hope is that this growth will not terminate at the end of your formal education, but will continue throughout your life. This being the case, I am confident that you will take a place of honour among the graduates of St. John's who have made and are making significant contributions to the alleviation of our major concerns. In this, and in all your endeavours, I give you my best wishes.

R. Mutchmor

### President Natalie Bosak

### Vice-President Bill Towers

As this year has come to an end, I suddenly realize how quickly the time has gone by. Although the years seem to have quickly passed us by, we will always have memories of the time spent here at St. John's. I am told that memory is "the power to gather roses in winter." Our future comes once we leave St. John's, and the roses may be easily gathered by looking back at our many experiences during school.

I am proud to have been a student at St. John's. It's been both a pleasure and an honour to have been associated with the staff and students of St. John's. I'd like to extend my thanks to those students and members of the staff who have helped me throughout this school year. A special thanks to Mr. Mindell who was a great deal of help, not only to me, but to the council, and the school's various committees.

All the best to those of you who will be returning in September, and good luck to you in reaching whatever goals you may have.

To my fellow Grads, whether you go on to further education, a job, or whatever your future includes, I wish you the best of luck in all of your endeavours.

In the years to come I hope that you will always have the spirit of St. John's within you.

Sincerely yours,

# ACTIVITIES

#### council

The council this year followed the traditions of past years. Wednesday afternoon meetings were an inspiration to all those in attendance. Had R.K. attended more often the female attendance would have certainly improved. Our president put much effort into making the year a success, however not without the help of Bill Towers, the vice-pres., Maria Lopes, the secretary, and Joanne Faryon, the treasurer. Many thanks should also go to the reps. who attended faithfully. One of these was Craig A. Johnson, without whom the council would have been incomplete. Many thanks to Mr. Mindell who presided over the meetings.

## Graduation Committee

Grad Committee worked hard through the year planning for the big day of Graduation. They held bake sales, car washes, and a Fashion Show along with selling spices and school sweaters. They managed to raise enough money to make the 1982 Graduation a very special occasion.

First Row: Wanda Iskierski, Mrs. Rigaux, Andrea Liewicki. Second Row: Mrs. Burndorfer, Natalie Bosak. Third Row: Sonia Zajac, Sandra Hemmerling, Leslie Pucenko. Fourth Row: Darcey Chester, Maria Lopes, Sylvia Bilecky. Fifth Row: Helen Drapala, Craig Johnson, Audrey Walz.

## Our Boosters and Cheerleaders

The boosters and cheerleaders were the spirit of our games. The cheerleaders worked through the year on cheers to support the players during the games. The boosters could be found dressed as clowns at many games encouraging fans to cheer our teams to victory. Their enthusiasm at the Pep rally encouraged many to attend the games.

First Row: Mr. Ulrich, Lila Bula, Catherine Zak, Mrs. Burndorfer. Second Row: Darcey Chester. Third Row: Maureen Malcolm, Wendy Bolton.

# Reach for the Top

This year's Reach for the Top team were only a few of St. John's most brilliant students. Unfortunately, the season was not all that they expected. Our team, whether they won or lost, always displayed true St. John's spirit and sportsmanship. The members would like to thank Mr. Carr and Mr. Holowka for all their time and help.

First Row: Mr. Holwka, Mr. Carr. Second Row: Doglas Shand, James Zawislak. Third Row: Craig Johnson.

### Newspaper Staff

Despite the negative attitudes of the student body, the staff of the St. John's Magazine proved that a responsible school newspaper could exist at St. John's. With the help of the School divisions printing plant, St. John's Magazines's new look and creative staff quickly changed the negative attitudes that existed among the student body. Thanks for a great year!

Alex Regeic, Andrew Jarmus, Virginia Zywotkiewic, Sandy Kotowicz. Missing: Craig Johnson (Editor).

#### Torch

First Row: Karen Groot-Koerkamp, Lisa Markevich, Leslie Markevich, Catherine Zac. Second Row: Mr. Kubara, Kathy Tabaka.

The Torch staff of 1981-82 spent many long, hard hours producing this year's yearbook. Even though at times the finished product seemed only a dream, the staff stayed together and worked even harder. The staff would like to wish the graduates the best in the future, and for those who are staying at St. John's, an invitation is sent out to join next year's Torch. It is a great experience and the friendships made in Room 235 are not forgotten. We could not even begin to mention ALL the people who had some part in producing the yearbook, but we would like to thank each one for their help.

#### I.S.C.F.

First Row: Dale Hrehoruck, Chris Cullen, Kirk Schupley, James MacSween. Second Row: Mr. George, Andrew Lubusko, Grace Coleman, Erica Miller, Douglas Kenyon, Kim Segal.

A fine performance was given at Westminister Church prior to Christmas, as well as a taping for Winnipeg Hydro, aired on various radio and T.V. stations during the Christmas season. Finishing off a fun filled year, the choir gave their final performance of 81/82 at graduation ceremonies. Many thanks to Mr. George for the time, effort and patience he has put into it during the past year.

### S.S.S.

These two were later used during Unity Week and were a huge success. The funds raised from Unity Week were used for the club's annual field trip. The students deserve a lot of credit for their efforts.

Unity Week '82

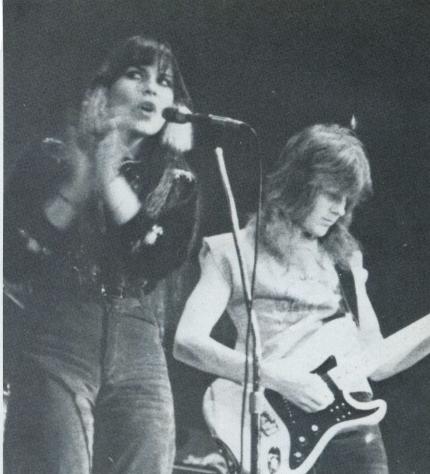

Unity Week '82

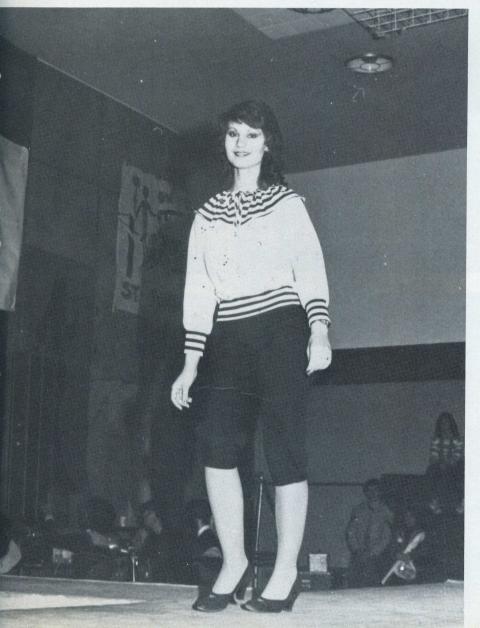

This year, instead of a traditional Unity Day St. John's held "Unity Week," which was a quick success. An amusing Dating Game and a superb fashion show entertained many spectators. Other events included an aerobic dance session, a drug abuse seminar, the Battle of the Bands, and food sales through the halls. This will certainly be well-remembered. We look forward to next year's fun filled "Unity Week."

# Tiger Football '81

The '81 football season turned out to be one of many changes. With a new coaching staff and the return of only a few veterans, the Tiger's season seemed filled with more downs than ups. Although it was a disappointing season on the score board, there were some highlights too. These included a 13-12 upset win over the powerful Maples Mauraders, and the naming of Roman Kostek and Ed Wowryk to the City All-Star Team.

With added experience, the Tigers will return to the winning tradition of St. John's.

Sincere thanks and appreciation is extended to coaches Brian Marks, Rick Koswin, Mark Joyal and Rick Karkota. Many thanks as well to Norm Saunders, Bill Towers, Bill Cope, to the parents, staff, cheerleaders and fans, the backbone of any program.

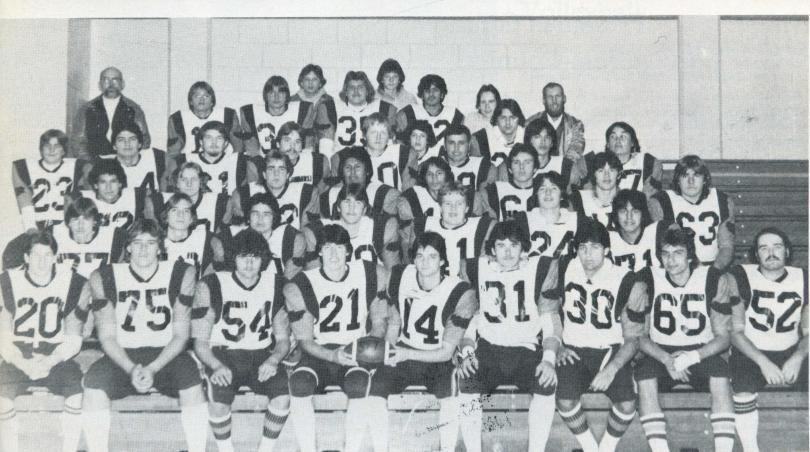

First Row: Glen Chase, John Horvath, Stan Matwyczuk, Tim Roy, Ken Kornel, Roman Kostek, Livio Cascegna, Steve Luczenczyn, Shaun Dagdick. The St. John's Varsity Boys Cross-Country team was made up of the Varsity Boys Basketball team. This team was composed of well-trained athletes and was the first Varsity Boys Cross-Country team to win the North Division Championship in thirteen years. A Meet worth mentioning was the Meet held on Sept. 30. The team endured a treacherous course, freezing rain, and 2° weather to finish in first place.

First Row: Philip Dembicki, Ronald Balingit, Robert Schnerch, Ray Cohn, Jerry George, Mike Thomas. Second Row: Lucien Coutu, Anthony Clements, Devon Clunis, Paul Kolomaya, Ilija Dragojevic. Third Row: Mr. Wedlake.

This year's team completed the season by making it to the City Finals against Elmwood. During the season our main competition was Elmwood. So it was only fitting that the finals should be between the top two teams in the league. The girls lost the fifth and deciding game 15-13. All five games were well played. The girls gave it their best. Thanks to all for a great season.

## Varsity Boys Volleyball

This year's Varsity Boy's Volleyball team had their share of ups and downs, unfortunately the downs dominated the ups. Although their season was not a winning one, our guys displayed sportsmanship and always gave it their best effort. Better Luck next year!

This year's team features youth, as many of last year's team had graduated. Their hard work and perseverance led to many personal best times and performances especially in Thunder Bay where they also brought home many medals.

If next year's group is as enthusiastic we should field an even stronger team in 82/83.

Katrina Smith, Marlene Duhamel, Sandra Horaski, Debbie Heckman, Barb Jablonowski, Gail Fosty, Kris Sorenson, Wanda Tawkin, Charlene Pfeifer, Raquel Anore, Diana Hartley, Liz Chichlowski. Center: Darlene Duhamel, Mr. Unruh, Karen Groot-Keorkamp.

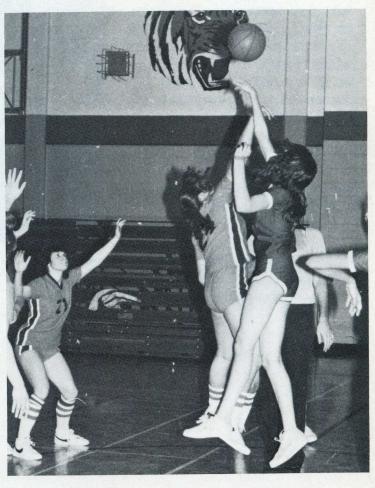

## Freshman Girls Basketball

This year, the Freshman girls basketball team consisted of twelve players. Even though they lacked height, they made up for it by running and playing excellent defense. The team won the consolation prize in the River Heights Tournament. They got into the finals of the St. John's Freshman Girls Tournament but . . . lost. An excellent season was appropriately ended by winning the City Championship.

The team members would like to thank Mr. Unruh for his time and effort in coaching the team.

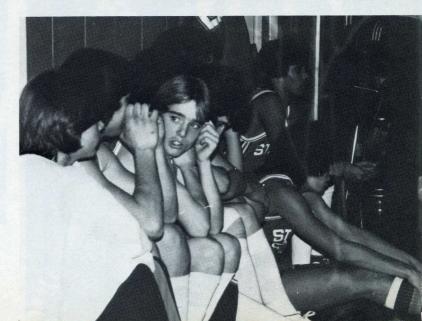

## Freshman Boys Basketball

The Freshman Boys Basketball team of 1981-82 didn't have a winning season. They always gave their best and showed true St. John's sportsmanship. The team's high point was Alastair Houston being chosen for the North Division All-Star Team. His teammates and the students of St. John's are very proud of him. The Tigers made it to the Provincial Tournament, winning a wild card berth by defeating Fort Richmond 73-63. They defeated Crocus Plains and Dakota to make it to the Final Four of the Provincial Tournament, but were defeated by the Westwood Warriors in the Semifinals.

Mike Thomas was selected to the All Manitoba Team. Mike was also selected to the City Conference All-Star Team along with Ilija Dragojevic.

### Varsity Girls Basketball

This year the Varsity Girls had a very successful season. The team won the Pre-season enabling them to travel to Saskatoon for a tournament. They were also invited to a tournament in Calgary and one in Spring Field. The team was undefeated during their regular season. They also won first place in their division, the City Championship and the Regional Championship. The team was ranked # 1 during most of the season and were invited to a luncheon at the Government House along with the other teams involved in the Provincials. The team would like to thank the coaches, Miss Kristjanson and Carla Gould for their time and effort this season.

### Wrestling

The 1982 Wrestling team has more officers than troops. As well as Mr. Sauders, teachermanager, Graham Zawislak, student-coach and James Zawislak, deputy student-coach, we have at least one full time wrestler. Well - almost full time, right Shaughnessy?

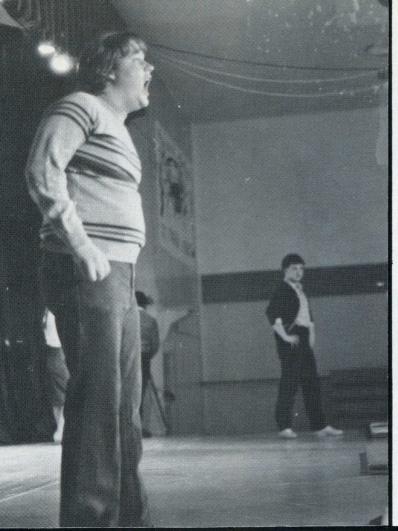

Manuel Ruez, James Zawislak, Mr. Saunders, Graham Zawislak.

### **Badminton**

This year's badminton club met weekly on Tuesday nights. There were at least 20 members. They challenged each other, improved their skills, and had a lot of fun. The members would like to thank Mr. Rocznik and Mr. Triechel for their time and help. The members were a great group of people, with only one fault, they were very camera shy!

First Row: Sandy Horaski, Shawn Berard, Katrina Smith. Second Row: Liz Chichlowski, Kathy Cote, Wanda Tawkin.

#### Valedictorian Leslie Markevich

Principals, Teachers, Fellow Students, Ladies and Gentlemen:

Graduation Day . . . At last! Now that the day is here it calls to mind the words of a poet, "If there is a good deed I can do, if there is a kindness I can show, let me do it now, for I will not pass this way again." The truth of this saying saddens me; for when I think of all the wonderful friends I have made during my years at St. John's, I know that I may never see you all together again as I do now. But I'm thankful that I have had the opportunity to come to know you because you have added so much to my life. It is not the walls or the classrooms that make St. John's what it is; it is the people. It has been an experience of learning by our association together.

Now that we are at the beginning of our adult lives, we should stop and remember those who helped us along the way. We want to remember first our parents, for this is as much their day as ours. Here, they can see in us a reward for their sacrifice in time, energy, and love, till now? It is only fair that we also

try to be a credit to them in the future.

Whether we know it or not, we have learned a great deal from the actions of the people around us. We have learned from you, Mr. Mutchmor, that subjection to authority can be pleasant if it is tempered with kindness. This you have taught us, and

much more. You are very special to all of us.

And all our teachers! Besides teaching us reading, writing and arithmetic, each one of you has contributed to our growth as individuals in a special way. You taught us patience and discipline by your own example. You persistently helped us to understand a problem when we were sure we couldn't. You showed understanding when you treated us as individuals, as people. We learnt humility from you when you admitted your mistakes. The human touch you gave the textbook will always help us in the future. You had confidence in us when we had none in ourselves. We will never forget you.

By accepting that we can learn so much from our elders' wisdom and experience, we only just begin to

know how much more we have to learn.

How many times in our final year of high school have we been asked the question - What will you do now? It is like coming to a fork in the road: we have to make that very important decision all by ourselves. The opportunities and possibilities before us are bewildering. In this mixed-up world, nothing seems certain, and this makes our future seem even more frightening. Let's always be optimistic because we have so many reasons to be. I really believe that a God that created so many wonderful things isn't going to let a few selfish people spoil the future for everyone else.

Never cease being grateful for the opportunity for being young and alive. Many young people never appreciated the chance you have before you now. Do not be like the young person who, when getting up in the morning, complains that he must, but be like the

old person who rejoices that he still can.

Whatever your future may hold, always have a goal to reach. If youth is a time for dreams and visions - then now is the time to make them a reality. Find a cause worthy of yourself and dedicate yourself wholeheartedly to it. You can do anything you want to do: all it takes is determination, persistance and hard work. This we have begun to learn at St. John's.

To my fellow graduates, I say that I shall miss you all very much. We have grown up together. We have shared laughter and tears together. Many of you have become very close friends and I hope that your

purpose in life is a successful one.

To those of you yet to graduate, take advantage of the time you have in school, make the most of your relationships with people, because you will never again be able to relive these days. "You will not pass

this way again."

We should not be distressed because of the thought that we are only young once. There is a whole world to see out there and we have our whole lives to fulfill our dreams and ambitions. I can only repeat what an inspired wise man once wrote "make the most of your youth, let your heart and your eyes show you the way; but remember that for all these things God will call you into account." We all have to face this kind of responsibility as we become adults. The sooner we meet it, the more we will learn and the greater our joy will be in doing so.

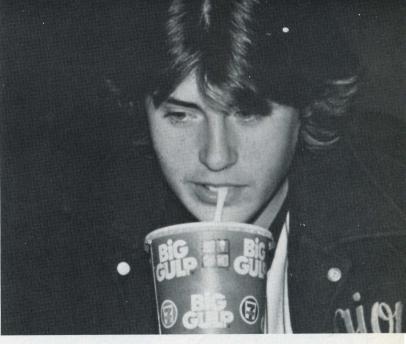

And so - This is farewell. I will always remember my years at St. John's and take a little of them with

me wherever I go. I hope you will also.

### A Special

## Card of Thanks

Thank you Mr. Mutchmor for all your years of dedication to the students of St. John's High. These people would like to extend a special good-bye and thank you for everything that you have done for them and for all the others. Best Wishes from all of us.
