"Stone walls do not a prison make Nor iron bars a cage."

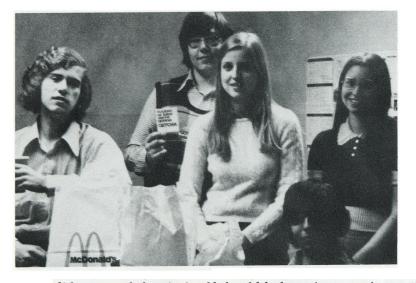

- Lovelace

If Richard Lovelace had been a St. John's student, he might have written "Stone walls do not St. John's make . . . " for he would no doubt have wanted to express a feeling that we have all experienced. The greatness, the warmth, the accomplishments of St. John's all find their origin in its people — the staff and students. I would like to take this opportunity to express my thanks for the priviledge of sharing this year with you.

To the students of our graduating class may I wish you health and happiness. I look forward to hearing of your accomplishments as you attain the high goals you have set for yourselves.

R. Mutchmor

We are now at that page of the yearbook where all credits due are acknowledged. Although there have been many disappointments along the way I only hope, to those who read this, that this yearbook is not one of them. Our goal was to sum up one year in the history of St. John's and record that year as a permanent memory for all of us, and I think that goal has been reached. This is by no means the best literary and artistic book around but the people who worked on it

did care and that in itself should help to increase its worth. I would like to thank all the great people occupying our school office for letting me pester them continuously in an effort to get things done. Thank-you's also go to all staff members and a special thanks to Brian and Nancy for a job well done!

FRONT ROW (L to R): Helen Procner, Joanne Wing, Wendy Bergman, Charlene Siemens, Ruth Kraitberg, Ed Dyna. SECOND ROW (L to R): Julio Musto, President; Debbie Wolfe, Social Committee Chairman; Carmen Samson, Eva Marie Lessing, Treasurer; Jerry Olfman. BACK ROW (L to R): Sid Restall, Vice-President; James Paluch, Don Hladiuk, John Gomez, Larry Buhay. MISSING: Diane Janis, Secretary.

No other school but St. John's could go through three presidents in one year and end up on top; we even got furniture for the courtyard! But there were some rough spots during the past year, times when we thought nothing was getting done, everyone wanted our money and we would go broke paying it out. Lucky for us we had some good people turn up when we needed them. Both inschool presidents, Don Jakel and Julio Musto, contributed their share in helping the student body. Debbie Wolfe, as chairwoman of the Social Committee, tried desperately, along with her colleagues, to provide us with interesting social activities, i.e. Spirit Week, even though our budget was small. We should also give a big hand to Angela Broda and her crew who gave us Grad '74 at reduced prices, sea sickness, clean cars and acne. We should all be grateful for having these people around and all members of Student Council. They helped to salvage pieces of a year that, at first, appeared a little dismal.

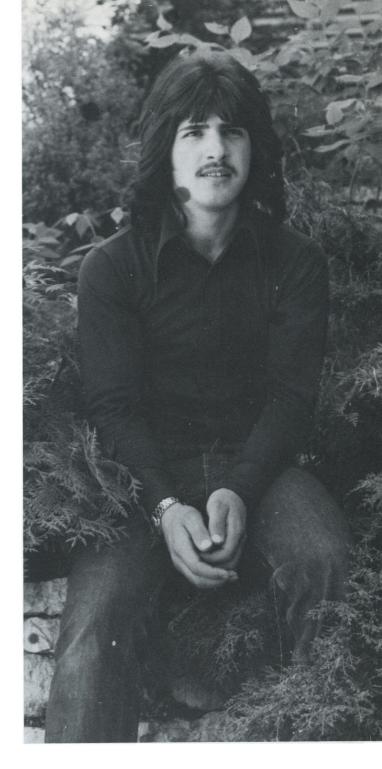

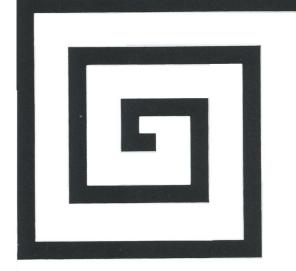

# PRESIDENT'S MESSAGE

Each school year's ending brings with it a desire for an assessment, a weighing of what the last year has brought, and most important - a setting of new goals in life. All people, particularly young people with their goals in life still to achieve, need a time to look backwards into their past and even more so into their futures so that they can prepare and plan their careers. I hope that the 73-74 school year has been a good one for everyone, even though it has had it's let downs at times. The last year has been a good one as far as I'm concerned, and has brought satisfaction and a strong desire to improve even further. If for others the last year has had its disappointments, perhaps you can learn by the mistakes made, and improve in the years ahead.

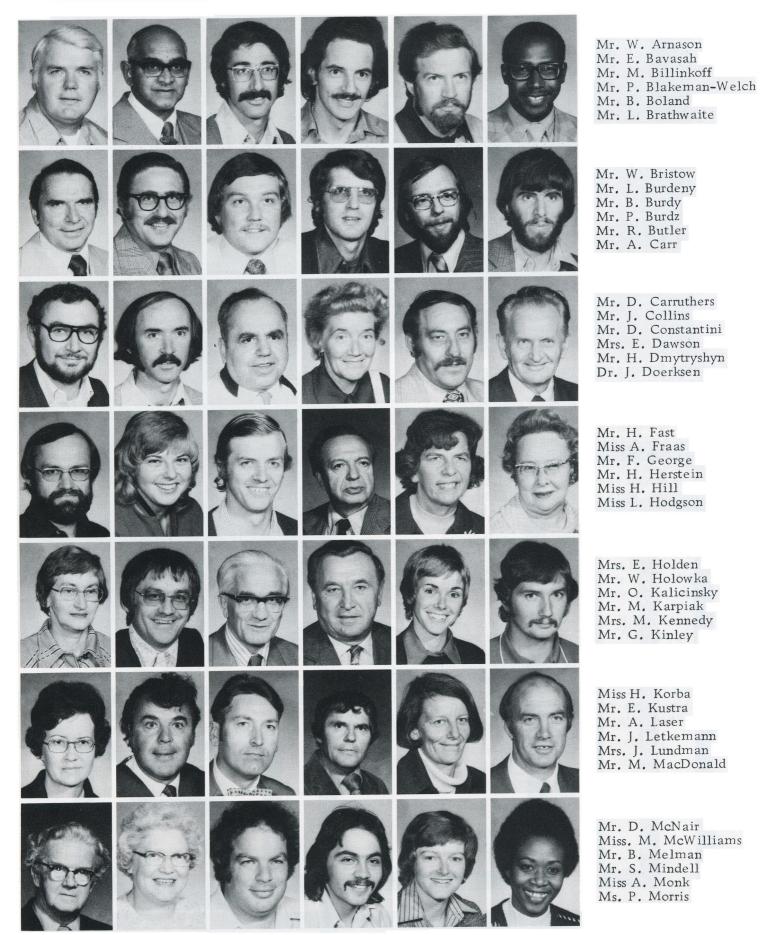

I would like to thank Mr. Mutchmor and Miss Hodgson for the help they gave me when I needed it the most. Also I'd like to thank the teachers that also gave me advice and lent a hand when I needed their assistence. To all of my fellow students, best wishes and good luck on achieving future goals in life. Good-Bye St. John's.

Julio Musto, President of Student Council.

# FOOT BAL

This year the St. John's Football team was made up of rookies and a variety of veterans. The coaching staff, consisting of Graham Kinley, John Silver, John Bitchok, Tom Coyle, Jim Curlson and Clint Evans, had to be the best in the province! The team played at the excellent standard that has given St. John's a reputation for great football playing in the past. All members worked well together and played hard to win all their league games, but the most crucial game of all became their one loss. This loss was particularly hard to take because it was by only one point, and the boys had tried their best to be number one. Although everyone deserved a position on the All Star Team, only five members could be chosen. These players were Dave Zinyk, Mike Gerbinski, Gary Gaska, Tom Humniski and Dennis Fredricksen.

The team is grateful for having been able to play football for the best school in the city, and it is a positive fact that the school is proud of all these boys.

# AND THEIR FANS

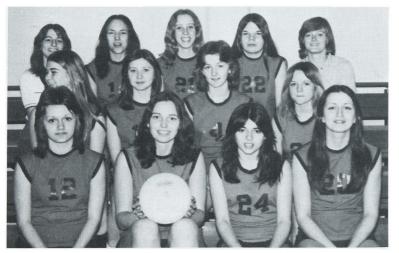

# GIRLS' VOLLEYBALL

The freshman girls volleyball team enjoyed a successful season, under the coaching of Miss Monk. They finished league play with a 1 - 2 record, putting them in third place behind Kelvin and Grant Park. The girls entered a round - robin tournament for the playoffs with the four top teams. The team defeated all but Grant Park, winding up in second place for the city. Many hours of hard work and practice by both the players and coach contributed greatly to the success of this team.

#### freshman

the fivon's

The efforts of many years of hard work combined to produce a team that was strong in skills, won many games, and had fun at the same time. The force was led by spikers Mary-Ann Pura and Diane Krawczyk, and setter Dennie Lefko, with versatile Sue Sobkowicz. After a good showing in the pre-season opener, the girls put everything together smashing to victory in tournaments at Grant Park and West Kildonan, and placing a very close second at the Sturgeon Creek Schooner Rally.

Finishing league play in second place, they advanced to the finals. Despite the fact that we had the talent, good sportsmanship, and the best coaching (by Mrs. Kennedy) in the city, Grant Park's come-from-behind spirit overpowered our nerves in the finals. But, next year there is no reason why we won't "Keep the Ball Rolling" all the way to the top!

#### BOYS' VOLLEYBALL

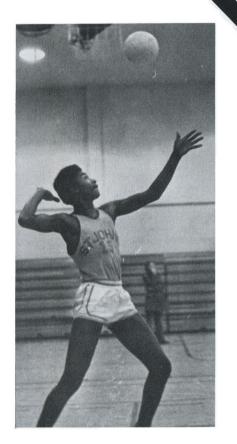

The Varsity Boys Volleyball team had a successful season with five wins and 2 losses. We gained 10 pts. finishing third behind first place Churchill w with 14 pts, second place Sisler with 12 pts. In the round-robin city championship we were edged out by Sisler. This year the team also participated in the Sturgen Creek Ralli and placed third. Throughout the season moral was high and the team never quit trying.

The team's skillful volleying was attributed to the excellent coaching of Mr. H. Dmytryshyn. The four top team standings were:

	Win	Loss	Pts
Churchill	7	O	14
Sisler	6	1	12
St. John's	5	2	10

Mr. Press took hold of a bunch of rookie "idiot-ball" players and miraculously transformed them into "FIELD HOCKEY LADIES".

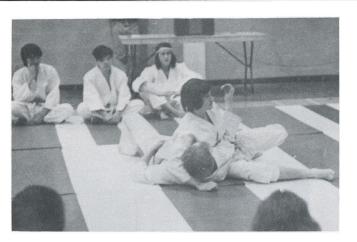

The girls "bullied" their way through the league, defeating all opposition. With Alice Vaneuse in goal, and Mary-Ann Pura leading the scoring, the girls easily won the first game of the finals. In the final game, superb defensive playing by Shirley Magee and Susan Sobkowicz kept Grant Park back, giving us a 2 - 0 lead. With only a few minutes left to play, the Pirates popped in two quick goals, we got an accidental penalty, and to our dismay Grant Park was awarded the game.

It was truly a fantastic season and the teamwork displayed was the result of Mr. Press's fine coaching. We hope we have made St. John's proud of its girls field hockey team.

# JUDO

The St. John's High Judo Club, under the expert guidance of Mr. H. Fast, enjoyed another successful year. It was the second year of existence for the Club and membership consisted of twenty or so devoted girls and boys. For some of the members it was their second year of instruction, and having already been graded once many hoped to advance again this year. There were also many beginning students to this form of Oriental defense. During the year, Judo practises were held whenever time permitted to allow the members to acquire and perfect the basic Judo skills. Although competitive Judo was not stressed, and only a few members have entered tournaments, there are future hopes that competitive Judo will be tackled.

#### **BOWLING**

The highlight of this year's bowling season was the Winnipeg High School Five Pin Bowling Championship held in January. Our school was well represented by five teams: Two grade twelve boys' teams, one grade ten boys' team, a mixed team and a girls' team. Sam Sapoznik was the captain of one of the grade twelve boys' teams while Mike Manko led the other grade twelve squad. Captains of the other three teams were Jerry Olfman,

or one of the grade were boys teams with Minke Manko ted the early agrade twelve squad. Captains of the other three teams were Jerry Olfman, Sid Restall, and Gail Hayden respectively.

Sam's grade twelve team did very well with a total three game score of 2900. Sam bowled a 720 triple and thereby qualified for the provincial and national championships. Fellow team members Ron Onyshko and Gary Slipec also doing very well, with Ron bowling 670 triple. Bowling in one of the four other teams, Larry Marchak achieved a 640 triple. Although not all bowlers were outstanding, everyone concerned had an

Although not all bounds are enjoyable time.
In April, Sam's team, Winnipeg Number 2, finished a strong second to Winnipeg Number 1, in the fight for the Manitoba title. This year the club experienced much success, and it hopes that next year will be even more rewarding for our school's bowlers.

This year a record 48 members battled with shuttle-cocks every Tuesday and Thursday evenings. Although the males dominated in quantity - 44 members, the females did very well by concentrating on quality.

Some of our members require special mention and recognition. Shirley Magee and Sally Calich captured first place in the city girls' doubles. Alicia Burke and Calvin Desmarais took second place in the mixed doubles, and Shiu Tchang Lui smashed his way to second place in the boys' singles. Our school's seven representatives missed taking first place as a school in the city competition by one game. In the unicity finals, Shirley and Sally placed second.

The keen competition for the local trophies showed how much effort our members put into getting ready for these championships. Although not everyone could come out on top, we all improved greatly and had a great time doing it.

FRONT ROW L to R: Brian Gray, Irwin Demeria. BACK ROW L to R: Jim Sie, Andrew Jackson.

St. John's wrestling team took Jack London's "survival of the fittest" as their philosophy. They started with a training program that soon accomplished that aim. Coach John Silver had them well-conditioned for their first round of competition that resulted in a tie with Shevchenko School.

However, as the new year rolled on, the team narrowed down for various reasons. Two members represented Manitoba at the Regina Martin Invitational Tournament. Both Brian Gray and Irwin Demeria did well enough to also represent Manitoba at the Canadian Finals in March back at Regina.

The "survivors" from this year will form the basis for next year's team. Along with the new coach, Mr. Silver, they will have new uniforms and the use of an official wrestling mat courtesy of the Manitoba Recreation Department.

The Curling Club concluded one of the most successful years in its recent history. The membership was completely full and perspective members had to be turned away due to limited ice availability.

During the Christmas break three rinks were sent to the School Boys Bonspiel, one representing each grade. All three teams handled themselves commendably in this top flight competition, winning their share of games. In this year's final standings, the Stan Dufay rink captured the Grand Aggregate with an eight win - one loss while Jim Mitchell took the Main Event on skip rocks after an unprecedented three way tie with Karen Kasper and Larry Marchak. Myron Moszynski settled for the Consolation. The calibre of the play during the year was exceptional considering the fact that more than half the members were participating in organized curling for the first time. The highlight of the year, as it usually is, was the annual student - teacher game. The main idea was to have fun and some good laughs, but the competitive spirit never left anyone, and only until after some excellently curled games did the teachers finally prevail, winning three of the five games. All the members would like to issue special thanks to Mr. Wolfe and Mr. Wuckert for their time and hard work and for once again looking after the curling fraternity.

FIRST ROW: Managers, Gary Slipec, Ron Onyshko, Alfred Judt, Robert Ziegler, Don Klapecky, Joe Sapoznik, George Caryk.

FRESHMEN BOYS' BASKETBALL: The Freshmen Boys' Basketball team enjoyed a season of competative and exciting basketball before being eliminated in the third game of the city semifinals. This season's record was an excellent 16 - 7. Team honors included a second place finish in the second annual Tiger Classic and the consolation trophy. Two team records and six individual school records were established in the past year. Both Jeff Harrison and Richard Urbanik broke one record, while Alex Radchenka and Bruce Tynes each established two new marks. Bruce Tynes and Robert Wolinsky were selected to the City of Winnipeg All-Star Team. A big thank-you is sent out to Mr. Pelisek for his coaching, and the assistance of the scorekeepers, and managers.

VARSITY BOYS' BASKETBALL: This year's edition of the "Tigers" began laden with rookies but progressed throughout the season to become one of the top teams in the province. They played in a very strong city league and ended up losing in the semifinals to Sisler but not before extending the Spartans to the limit. They were able to squeeze by through our Tigers by the narrowest of margins. The team also represented St. John's in the Pre-Season Tournament placing third. In the Bedford Road Tournament in Saskatoon they placed fourth, and in the Westwood Tournament they won second place. Special mention should go to Mike Gerbinski, who was selected a City League All-Star, and to Greg Szcze panski who provided excellent leadership for the team. Their hard work has already determined that next year's team may be the best Tiger team ever.

The FRESHMEN GIRLS' BASKETBALL team, coached by Miss Monk, played a fine season finishing in second place behind Grant Park. The team entered the playoffs against Kelvin in a best-of-three series. The girls were victorious and advanced to the city finals against Grant Park, also a best-of-three series. Here the girls lost two straight games to finish in second place. Although they didn't quite make it to the top the girls enjoyed an excellent season of basketball and their many victories can be attributed to hours of hard work put in by both coach and team.

VARSITY GIRLS' BASKETBALL: This year's varsity team was a big improvement over teams of the past. Starting off the year with a tough game against Salmon Arm in the Golden Boy Classic, they made a commendable showing. After this game, it was uphill all the way, finishing the league play in second place with a 7 - 2 record. In the semifinals the girls played exceptionally well, defeating Tec Voc two games straight to advance to the finals. Despite the dribbling of Diane Krawczyk, the defence of Karin Hartman, the rebounding of Mary-Ann Pura, and the shooting of Sally Calich, Sisler proved too big a match for us and we lost the finals. Although we missed the city title by two baskets, our girls were tops in their attitude and skills. A big thank-you to Mr. Fast and Mr. Holowka who led the team through an enjoyable and rewarding season.

FRESHMEN GIRLS' BASKETBALL, FIRST ROW: Lorraine Skibo, Margaret Lis, Cornelia Schute, Helen Miga. SECOND ROW: Cathy Schneider, Barb Podolski, Donna Sikora, Doris Kuzma. THIRD ROW: Miss Monk, Coach; Karin Lanzendorf, Linda Iwaszkiw, Susan.

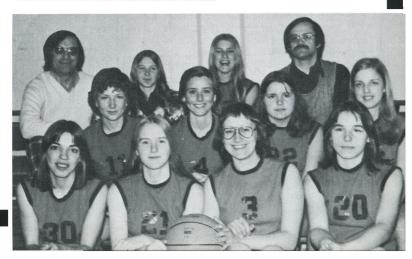

VARSITY GIRLS' BASKETBALL, FIRST ROW: Mary Ann Pura, Diane Krawczyk, Betty Kupskay, Sally Calich. SECOND ROW: Sheila Buroczewski, Gabriela Hartmann, Susan Sobkowicz, Barb Buchko. THIRD ROW: Mr. Holowka, Coach; Leanne Jablonski, Karen Hartmann, Mr. Fast, Coach.

FIRST ROW: Frank Luba, Lone Wolinsky, Pat Harris, John Kostinuik. SECOND ROW: John Horvat, Paul Weirbicki, Vic Moge, Jerry Kowtalo. THIRD ROW: Ed Rosenblatt, Tom Humniski, Randy Kapkey, Mr. Kinley, Coach.

#### INDOOR TRACK TEAM

As the blizzards, and drifts forced everyone indoors, the track team took to the halls, chasing everyone else out. "Captain" Kinley's rigid training worked everyone into A-1 shape fast. Amid shin splints, sprains, and aches, we charged into the Knights of Columbud meet, where Lone Wolinsky ran a fantastic 1500. A weekend in Brandon provided more enjoyable experience with speedy Mary-Ann Pura doing very well. By the Red River Relays, we were contingents for the top team of the meet, winning both boys' and girls' tug-of-war, the co-ed relay, and placing second and third in the guys' and girls' 40 relay. Cornelia Schute did very well in shot put at both these meets. Straight off the basketball court, Miss Monk joined the force to help carry us through a meet in Selkirk where we placed 3rd, and a small meet at Tec Voc, and two tri-meets at the U. of M. where we made an excellent showing. All in all, we had a great season, showing noticeable improvement all year, as we prepared for the outdoor season where we will provide tough competition.

Thru mud, sleet and rain, our Tigers brawed the meets held at Kildonan Park, Churchill Drive, and Tuxedo Golf Course. The freshman girls, led by Sheryl Sargent and Anna Matwichuk, came second overall. The varsity team improved gradually all season, led by Shirley McGibney. Take two basketball teams put them in sweats, combine them with a few track stars, and you have a boys' team that really proved itself. The freshman boys' placed a very close second, led by Rob Wolinsky, while Frank Luba led the Varsity team. Special recognition should be given to novices Mike Manko, and Rob Chimilar who showed tremendous improvement. A big congratulations to Mr. Relisek and Mr. Wedlake who "distanced" their teams into shape, early in the year.

#### INTER-HIGH AND FIELD DAY

Amidst a gorgeous two days our Tigers ran through with very good times and distances. The coaching of Mr. Kinley, Miss Monk and Mrs. Kennedy apid off as the girls' team moved up to 3rd spot this year, just 20 small points behind second place Grant Park, and well ahead of the rest of the field. Outstanding performances were turned in by Mary Ann Pura, Shirley McGibney, Diane Krawczyk and Kathy Rosin on the track. These four made up our division's provincial relay team. Daria Bilash jumped to a new record, clearing 5'1" in the high jump.

On the boys side, it was Lone Wolinsky who paced the way with times of 4:13.8 in the 1500 m. and a fantastic 1:50.3 in the 800 meters. Larry Findley chopped over 2 feet off the old mark, pole vaulting 12 feet. The boys team also finished 3rd. It was close competition in both categories but a few dropped batons in the shuttles, costing us better placing.

It was a great year in track and our grade 10 and 11 core will carry us to the top next year!

A- Gary Gaska received the Vince Leah Trophy which is given to the most outstanding offensive and defensive player on our Tigers Football Team.

+++

B- Mary Anne Pura received the Dingwall Trophy which is given to the most valuable female track athlete, and the Outstanding Varsity Female Athlete award, both of which she won last year as well.

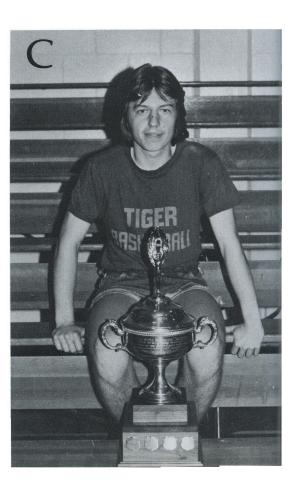

\*\*\*

C- Greg Szczepanski was awarded the Russ Pastuck Trophy which is given to a member of the Varsity Basketball Team who displays all the qualities that Mr. Pastuck tried to develop in his athletes.

#### U.N. CLUB

The highlight of this year's U.N. Club's activities was the Model United Nations Assembly that was held for three days at the Red River Community College. Sid Restall and Diane Kunec represented St. John's as Libya with advisor Mr. B. Polonski. Much was learned about the running of the U.N. and the three issues under debate would be the key issues that the U.N. and its sub-committees would deal with during the next few years. Libya gained an amount of prestige as an influencial member of the newly formed Arab Bloc. Several Arab Bloc proposals were also accepted by the General Assembly. Free food and entertainment plus the making of new friends from across Canada and the U.S. made MUNA and even more enjoyable experience.

FRONT ROW L to R: Eva Lall, Mary-Ann Fehr, Marianne Hrechkozy, Shirley Wowryk. BACK ROW L to R: Agnes Hryciw, Leona Gonzala, Violet Taylor, Natalie Mojzmer, Jeanne Hrechkozy.

The Red Cross Club has been very successful this year. The first major project was the making and delivering of Christmas hampers to needy families all over the city. The Red Cross was happy to report that at least fifty hampers were made with the majority of St. John's

students and staff participating. During Unifest '74 the Senior Red Cross Club had a raffle and coffee shop which helped raise eighty dollars for the club's future projects. A group of senior citizens were invited to put on a concert in the Junior Gym which proved to be remarkably good entertainment. On February 25th the Club held a blood donor's clinic. Over one hundred people donated blood at the clinic which was held in the Senior Gym.

On May 1st the Senior Red Cross held a Penny Day. With the contributions received from our students and staff our school was able to donate fifty dollars to the Central Red Cross so they will be able to purchase an incubator for the Dominican Republic in the Caribbean

Needless to say, the entire community profitted from the Red Cross Club's efforts in spreading good will amongst their fellowmen.

#### RED CROSS CLUB

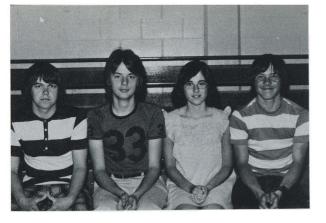

FRONT ROW L to R: Jerry Olfman, Linda Kurdydyk, Ian Retall. BACK ROW L to R: Sid Restall, Ben Miniuk, Terry Moore. MISSING: Bruce Makar.

Besides debating amongst themselves, members of the club participated in city and provincial competition, gaining significant experience and comparing favourably with other schools.

Jerry Olfman won the boys' division of the Optimists International Oratorical Contest, and proceeded to Grand Forks for further competition. Ben Minuk and Sid Restall matched wits with D.M.C.I. in the Kiwanis Debating Tournament. Three teams also entered the provincial debating tournament held in April. Two of these teams, consisting of Sid Restall, Ben Minuk, Linda Kurdydyk, and Bruce Makar, narrowly missed taking first place in the tournament. They returned with a second place shield. Although next year's debating club will lack some of this year's talent as members leave St. John's, the club is certain that new talent will be produced and a bigger and better club will be built next year.

#### DEBATING CLUB

LEFT TO RIGHT: Stan Dufay, Myron Pawlowsky, Linda Kurdydyk, George Caryk. MISSING: Mr. Carr, Coach.

This year's geniuses were Myron Pawlowsky on Chemistry, Stan Dufay on Geography, George Caryk on Maths and Linda Kurdydyk on leftovers. Coach Carr kept the team in excellent buzzer and answer shape but it was evident that even these skills could not transcend the skills of The Pas. In their first and only encounter, against The Pas, St John's fell behind by forty points. The end of four great careers in show biz.

#### REACH FOR THE TOP

#### **ELECTRONICS CLUB**

Every Monday afternoon the Electronics Club met to give interested students a chance to become familiar with the many aspects of the field of electronics, as well as a bit of time to unleash their inventive genius. This organization worked diligently to overcome the accoustics in our gym and produce the sounds of Brigadoon, the Centennial Tea, and all other events requiring their assistance. All the members had an enjoyable time and were able to absorb a lot of pertinant information that will help them in future years.

# COMPUTER SCIENCE

This year's Computer Club was involved in setting up and running a display at Unifest. Our artistic computer amazed on-lookers by predicting horoscopes while producing artwork in the form of calendars. It is hoped by next year that an advancement will be made to true artwork and already Da Vinci's Mona Lisa has taken on a new look.

Missing Persons: Alice La Liberty, Kathy Bortoluzzi, Joanne Wing, Daria Bilash, Wendy Bergman, Bonnie Cham, Joanne Diplock, Leanne Jablonski.

The school band and orchestra had a very successful year with maximum student participation. After a number of excellent concerts and near-capacity crowds, we can safely say that '73-'74 was a great year for music. Our thanks to conductors F. George and P. Blakeman Welsh.

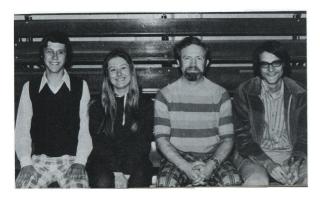

### BAND AND ORCHESTRA

The Camera Club still continues to potter away quietly in the bowels of the earth - to be precise, in Room 3, which is now our darkroom. As we have no running water in there, people in the lunchroom are often intrigued to see members of the club dashing to and fro with large bottles - in spite of rumours about "home brew", it's just water!

This year we have over a dozen Junior High members and about half a dozen Senior Highs. Mr. Boland, our able instructor, is concentrating mainly on teaching the members how to process black and white films, from the camera to the final print, including developing and enlarging. The club is not set up to rival Winnipeg Photo in printing anyone's films; instead we would like you to join and learn how to do the job yourself and get a lot of fun into the bargain.

# FRENCH CLUB It was Bon Voyage to the French Club as they left to visit a host of countries via their wine and cheese party. Although they did not go

far, most participants agreed there was an ample sampling of foreign faire. The wine was not of the alcoholic variety, but, nevertheless there were several light heads and many full stomachs. The French Club, in the company of a number of french students, did partake in a legitamate journey to a tiny French village in the heart of Manitoba. Through workshops in pottery, arts and crafts, singing and folk-dancing, the high school students of St. Claude introduced our students to a bit of French Canadian culture. At the end, all agreed it had been great fun and an invitation was extended to the students of St. Claude to return the visit. Perhaps next year.

The Biology Club was organized for students who were interested in preparing projects for the Winnipeg School Science Fair and the Manitoba Schools' Science Symposium. Two members of the Club won awards at the Winnipeg Schools' Science Fair. Leanne Jablonski won first prize in Agrology for her project on "The Effects of Legume-Rhizobium Symbiosis". She also won a trip to the Canada-wide Science Fair in Calgary. Donald Hladiuk won first prize in earth and space science for his project "Life on Mars?".

# SPIRIT WEEK

st. john's

centennial tea

On May 9, 1974 St. John's was proud to host a Centennial reunion Tea honoring our City's birthday, former students and staff, and the graduating class of 1974. Although much entertainment was provided by the students and staff of St. John's the main highlight of the tea was the unveiling of a plaque honoring all staff members who have served St. John's for ten years or longer. We were fortunate at the time to have among us many of those whose names appear on this plaque. From its beginning in the afternoon hours to its late night end, many old acquaintances were renewed and new acquaintances made while St. John's hospitality shone throughout.

# Tortured with the tension of final exams?

Most students are right now. And, we feel for all of you.

In fact, if opening a new account or setting up a loan could help, we'd be the first to suggest it. Exams however, are one thing that are pretty well completely up to you.

So what we would like to say right now is simply: Good luck.

We're pulling for you.
