Principal's Message

Last year, senior high school students weren't able to generate sufficient interest to make the production of a yearbook practical. This year, a number of students persisted to obtain student and staff support to insure that a 1992-93 yearbook would be published. I congratulate these people and the large committee of students who have worked diligently on behalf of all of us so that this book would be a reality.

I would also like to wish our graduating students the very best in their future endeavours. Although the economic times appear bleak and opportunities seem to be few, you should remain optimistic. All graduating classes have faced what seemed to be overwhelming concerns about the future. Each group has met these challenges head-on and has succeeded in overcoming the pessimistic odds. I know that your drive and perseverance will continue to be valuable assets and I am confident that your personal ambitions will be achieved.

Vice Principal's Message

I would like to thank the students and staff at St. John's for their co-operation and good spirits during the past year. It has been an exciting year with so many accomplishments in our Academic, Drama, Athletic and Music programs.

As I look back at our achievements, I can only look forward with confidence. We have come through a time of rapid change where courses and teaching methods have taken on new dimension and have presented challenges that had to be met as they appeared. It has not been easy to accept transition as a way of life at a time when security and a clear view of challenges ahead seems so essential. It is to your credit that not only have the fine traditions of St. John's been maintained, but new ones have been established.

I wish to extend special congratulations to you the graduating students "class of 1993". You will be entering a larger community surrounded by new associations and confronted by different problems. Whatever your situation, it is our hope that your life at St. John's has given you a solid foundation enabling you to be faithful to your ideals and to face new responsibilities with courage and confidence.

Good Luck!

Behind the Scenes

Front (L-R): Marlene Silvino, Kym Pitman, Jaime Diaz. Second Row (L-R): Sherry Korolyk, Ms. Graham, Anita Yip, Irena Hladki, Elizabeth Kertesz. Back Row (L-R): Francis Pagaduan, Darren Courchene, Lisa Dumbovic, Agnes Dlugosz, Adriene Figueroa, Allan Daquigan, Sherry Haig.

We did it! After a year of camera clicking, proofreading, typing, not to mention a late start, we managed to produce a yearbook we can be proud of! It wasn't the easiest thing to do, but through hard work and dedication, the committee succeeded. We owe our eternal gratitude to Ms. Graham, who "felt sorry for us" (especially the grade twelves!) and stepped into a project that was as difficult for her as it was for us, perhaps more. Although she was uncertain as to the duties of yearbook advisor, she took her chances (hee hee). As well, thanks to all the other teachers who contributed in their own little way. Ted Miller, a representative of Friesen Yearbooks, once told us "No one will ever know how much work went into this yearbook except those of you who worked on it!" Well I guess no one will know how true that is except the yearbook committee . . .

President's Message

Martha Maniatis

Experiences, evidently, come and go through everyone's life. High School is one of those experiences that influences our lives in a big way. Many of us took leadership roles this year, others took part in athletics and a big number of us represented St. John's High outside the city.

As president this past year, my experiences were countless, but they each gave me a lesson to learn. There were good experiences and even some bad ones, but always a lesson was learned.

I hope that the rest of the Student Council feels the same way. I would personally like to thank them for all their outstanding work throughout the year and for their high levels of motivation and spirit. All have been great role models and will become strong leaders in the years to come.

Graduates of the Class of '93, we wish you all good luck in the future and hope that your dreams become realities.

To those whom we leave behind, we remind you that each experience has a lesson to teach. Hope your High School experience is the best.

One last word: "Life is what you make it . . . so work hard!"

Martha Maniatis

Vice-President's Message

Congratulations Tigers, on another great year! We had some successes along with some failures, but they were all valuable learning experiences.

To all the "93" graduates, I wish you good luck in all your future endeavours. And to those I'm leaving behind, I wish you the strength to reach your goals, no matter how far away they seem.

I can only hope that your years at St. John's are as memorable as mine.

Third Row (L-R): James Stairs, Francis Pagaduan, Irena Hladki, Anita Yip, Sherry Haig, Mr. George. Missing: Shannon Zack, Paul Vaks, Tamara Kohut.

Being a member of student council involves time, patience, and a lot of enthusiasm (after all, it has to start somewhere!). This year, the council worked efficiently together and managed to create some rather successful events - Moga Madness, Spring Fever Dance, Grad Breakfast and especially Spirit Week. Many of our events were a first for us and for the school. We owe our thanks to Mrs. Stargardter and Mr. George, our advisors, without whom our accomplishments would not have been possible, and to our executives - Martha Maniatis (president), Tamara Kohut (vice president), Paul Vaks (treasurer), and Irena Hladki (secretary). Student Council is where ideas are put in motion but it is up to the student body to keep the wheels turning. Good luck to next year's council and keep the torch burning!

Reach for the Top

This year "Reach for the Top" consisted of six - an all girl's team. Our first tournament, played at Joseph Wolinsky, didn't go well when we lost all three games. When we first arrived Marlene and Sherry tried psyching out the other teams by using terminology such as "ramifications". During the game, Anita thought it was "Jeopardy" and phrased an answer in the form of a question. Although Maggie was away for this, she made up for it at Garden City by being quick to think and quick on the buzzer. Anna was so eager to answer that she did so even before she was called on. Irena was our "guy scooper" and Monika helped uplift our spirits by being hyper, or maybe it was all those donuts we had!? We ended up winning two games out of three but our best win came when we beat St. John's own "Teacher's Team". (No Mr. Burdz, we didn't get the questions from Sesame Street!) Thanks to Mr. Carr for his devoted leadership!

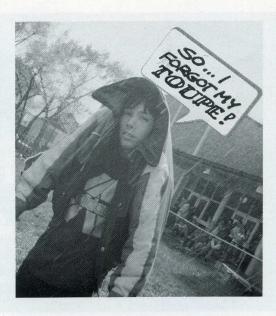

Coach: Mr. Carr. Front Row (L-R): Monika Franczuk, Maggie Malapad, Irena Hladki. Second Row (L-R): Sherry Haig, Marlene Silvino, Anita Yip, Mr. Carr, Anna Sokolowska.

Taking the Heat

The X-Country Team had an excellent season this year. There were only 8 members on the senior high team. The varsity girls placed 1st in 3 of the 4 races and were 2nd in the 4th. They also captured the Varsity Girls City Championship for the second year in a row. The girls went on to place 8th at the Provincial High School Championships. The girls placed 2nd in the Provincial Age Class Championships. Connie Makarchuk, Ginette Grattan, Irena Hladki, Adriana Jedynak, Angie Sanford, and Aran Dujlovic placed in the top 10 of every race.

Both Stacey McIvor and Edward Wolowich ran very well with Edward placing in the top 10 in every race.

The Fierce Image

The St. John's Senior Boys' Volleyball Team, had the making of a great team with the help of Ms. Wellwood, Mr. Silver and Mr. Klymkiw. But after a very rough start and getting rid of our macho attitudes we made it to the City Championship playoffs. In order to get there we had to beat the best team from the south and we did! No one on the team could believe it. We had a new confidence that we never knew existed. We played with team spirit and great intensity. Then we went on to defeat the strong team from Gordon Bell. The coaches couldn't believe what they saw, the team that almost broke up at one time, made it to the finals. The finals were tough against the power and smart play of Sisler. It was a nailbiter, with Mr. Silver losing his hair every play, trying to keep the players concentrating on their game. And we did it, we pulled through winning the first set 16-14, the second 14-16 and winning the third set 15-13, clinching the well deserved City Championship title. We just showed everyone what a real volleyball champion is, and that the Tigers are capable of winning.

Lad — "Do you finally know left from right?"

Joyce — "Where's your glasses?"

Marites — "Aren't you a bit early?"

Lynda — "Don't move all at once now!"

Nhi — "You're too loud!"

Lorrie — "Jump!"

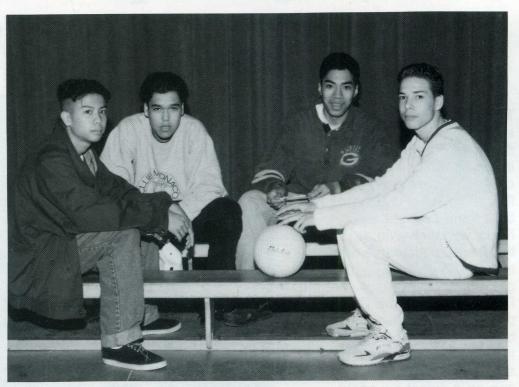

Ms. Shynkaruk — "Ten more push-ups!"

Ms. McCasin — "Set me, set me!"

This year was a very fulfilling year for the Freshman Girls' Volleyball team, at least we won a few games. Too bad Ms. Shynkaruk and Ms. McCasin couldn't be on the floor with us, then we would've killed. Better luck next year!!

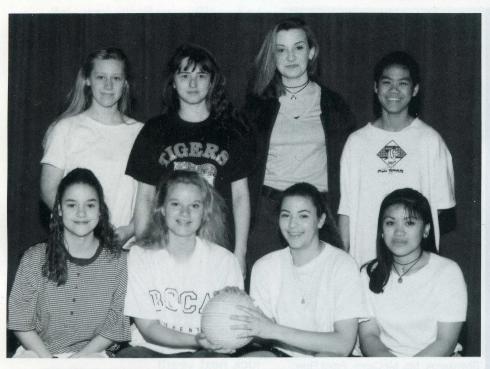

Looking Good

Nine determined volleyball players had a better season than expected. Our coaches, Marty and Ed, were surprised on several occasions. The season unfortunately ended during the City semi-finals, losing out to Daniel Mac 17-16 in the third set.

VARSITY GIRLS' VOLLEYBALL — Coach: Miss Gibb. Front Row (L-R): Charlotte Dueck, Susan Mydlo, Lisa Dumbovic, Maggie Malapad. Second Row (L-R): Heather Lowe, Adriana Jedynak, Tracy Hayduk, Christine Medina. Missing: Miss Gibb, Marina De Bruyne, Linda Sharpe, Mary Ann Sulit.

This year was a very competitive volleyball season for the varsity girls, but with our "talent", "team dedication" and Miss Gibb's coaching, we managed to stay till the end.

We had steady improvement throughout the season with Maggie and Mary Ann (our setters) trying to master the 4/2. Heather finally learned how to put the ball down on the other side of the net. Tracy intimidated the other teams with her height and Christine with her jumping abilities. Char always kept the team in good spirits with her "multiple personalities". Adriana, we are still not sure about, she's in her own little world. Marina and her windmill spikes, no one can improve on those, not even Marina. Susan killed them with her serves, and me, Lisa, the stuffing machine kept the team on their toes with my loud voice.

Unfortunately it was Susan's, Mary Ann's and my last year of high school volleyball. We worked hard to bring home some kind of championship but fell through. Although we didn't have a very successful season, the girls did leave us with some great memories. Tracy's super blocking, but somehow the ball always managed to land on our side of the net. Maggie's perfect sets, for the other team. Char's power spiking, into the net. Heather

always diving for the ball, but never digging it up, and Marina rocketing the ball out of the court.

All in all it was a great season for the varsity girls, an experience that will never be forgotten. On behalf of the varsity girls, I would like to thank Miss Gibb for her patience and time. Don't worry Miss Gibb, your perfect team will come . . . one of these years!

The Cutting Edge

The Varsity Boys' Volleyball Team finished 2nd in regular season play. We played in 2 tournaments during the season finishing 4th in one and 6th in the other. We then played Sisler in the first round of the play-offs and beat them in four games. In the finals, we met Kelvin; we split the first 2 sets, both teams winning at home. We then won the third game at a neutral site. WE DID IT! We finally won a City Championship! This also gave us a birth in the Provincials. We were heavily out gunned but put up a strong fight and ended our season on a sweet six-pack!

VARSITY BOYS' VOLLEYBALL — Coach: Mr. Grubert. Front Row (L-R): Marcel Pagee, Jeff Nelson, Art Ducharme, Sean Roche. Second Row (L-R): Mr. Grubert, Gerald Feschuk.

Time for a New Generation

This year the senior girls were very successful. With all the hard work we put in, we ended up with a record of 39 wins and 1 loss. We were ranked #1 in the province and won 7 of our 8 tournaments including the City Championship and our first road trip to Brandon, Manitoba. On behalf of the senior girls I would like to thank Mr. Stevenson and Ms. Graham for one great basketball season!

SENIOR GIRLS' BASKETBALL — Coaches: Mr. Stevenson, Miss P. Graham. Front Row (L-R): Anna Lazeczko, Lisa Schaefer, Jackie Pierson, Arlene Catacutan, Dimitra Maniatis. Living the Sporting Life

This year's Senior Boys' Basketball Team was just outstanding. Talented players under head coach Mr. Horaska, won this year's City Championship finals. Before winning the City's, we won many tournaments, including the T.I.B.T., John Pritchard, Churchill, Sargent Park and also Brandon. The team also reached the finals of the Wesmen Classic. In league play we had eight wins and zero losses. Our playoff record was three wins and no losses; while in exhibition games, our record was two wins and no losses. Hopefully the team can repeat next year!

SENIOR BOYS' BASKETBALL — Front Row (L-R): Manuel De Leon, Rene Benoit, Tack Manotham, Wayne Pryce, Walter Sokolowski. Second Row (L-R): Mr. Horaska, Jay-Paul Fermin, Ron Afurong, Kham Vilay Keo, Quay Ho. Third Row (L-R): Joselito Catacutan, Marvin Cruz, Alfredo Alegria, Jarek Sokolowski.

Looking Their Best

FRESHMAN BOYS' BASKETBALL — Coach: Randy Perrin. Front Row (L-R): Ernesto Casas. Second Row (L-R): Paul Smart, Greg Luczak, Andrew Olaes, Chris Mas, Jeremiah Panlilio, Jermaine Middleton, Oliver Banayos, Tyler Keith. Missing: Gerald Aragon, Thong Ho, Darryl Norosky.

The team struggled this year. The players felt they had more talent than they displayed. We played in the Wesman Tournament finishing third, and then won the River East Tournament. We qualified for the Provincials, losing in the first round.

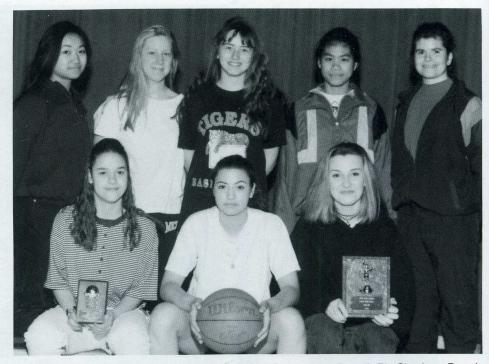

The Most Unforgettable Women

Our team consisted of 1 vet and 8 rookies. We struggled a lot at the beginning to learn how to play as a team and although it was real frustrating at times, we managed to get by.

Our season began with the pre-season tournament where we ended up third to D.M.C.I. & Kelvin. We then played in the West Kildonan tournament and won the consolation side. Our next tourney was Portage la Prairie, we lost a hard fought battle for the championship to the home team Arthur Meighen. We captured the first place title at the Teulon tournament and again came second in the Kildonan East tournament to Murdoch Mckay. Our final tournament of the year was our own, not being able to pull through in this one, we finished 6th. In league play we had a record of 6 wins and 4 losses.

We had our ups and downs but all in all our season was what we (the players) made it to be, it wasn't the fantastic final year that I dreamed of but if I could do it again, I probably would.

To my coach and side line mom thanks for everything and the Provincial Title is all yours next year ladies.

Our season started at Sisler for the pre-season tourney. We finished second to Tec Voc. We then played in the Daniel Mac and Wesman Classic Tournaments. We had poor finishes in both but kept our composure for the next tournament. We finished 2nd in the River East tourney and 4th in the Transcona Optimist tourney. At our own tournament we won the consolation side. We ended the regular season in 2nd place in our pool. We then lost two hard fought battles with Daniel Mac in the playoffs. We received a wild card and played St. Paul's in Provincials and lost a close one. The one highlight of our season was beating the #6 ranked Sisler Spartans and #7 ranked Tec Voc Hornets in the same week to get us in the provincials. Another highlight was beating every team in our conference which is considered the best in the province.

We had a great season losing a close game in the semi-finals.

Memory

Lane

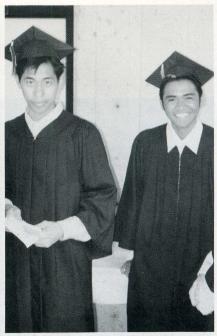

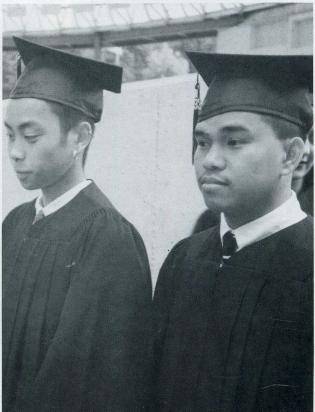

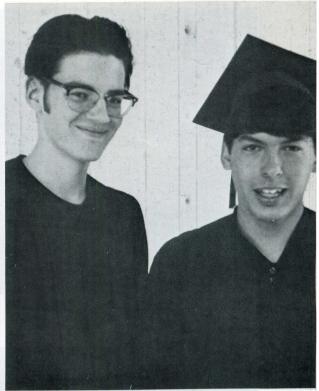

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to love
With whom we've laughed and cried
Remembering the fun and laughter
The problems and the fears
And watching all our memories grow
Throughout our high school years.

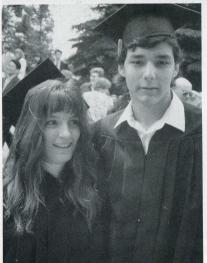

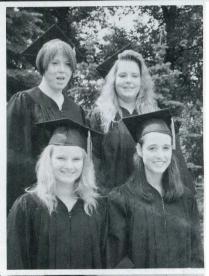

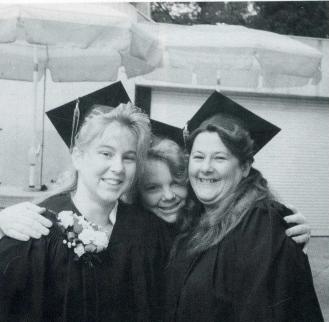

The memories of the dances
And the new friends that we've met
Vacations, teachers, talking,
And exams we'd rather forget
Yes high school days are precious, but brief
Where all your dreams come true:
It is not the end, but the beginning
Of a life we'll start anew.

- BOYZ II MEN -

- I, R. W. Baron, on my final day at St. John's High School leave: To all of the teaching staff, a year's supply of old meeting agendas, and memoranda. To all of the clerical staff, all of the unusable letterheads which have my name listed as principal. To all of the custodians, a pair of old shoes with which to make footprints on newly washed floors. To all of the paraprofessional staff, a minimum of 7 unpaid holidays while teachers have in-service/administration days. To my two vice-principals, all of the obsolete pages deleted from the Division's Policy Handbook. To the students of St. John's, an unwritten and unannounced copy of the multitude of school regulations that were never formulated. Finally, to everyone at St. John's High School my appreciation for the opportunity of having been associated with you during these past 3 years. Your friendship will be cherished forever.
- I, Ronald Alimangohan, leave: nothing It goes all to me, except my "Kalokohan at Kabulastugan." I would like to thank all the teachers who taught and shared their knowledge with me over the years that I've been here, and for being patient with me. I would like to thank all my friends who stood by me through the years. And thanks a lot to my "Chokis Or Tsokis" supplier, just kidding. Hoy MGA "Studyante Blues" take it from me.
